

Safety Data Sheet

Issue Date: 2009/3

Revised: 2018/1

Side:1/5

1. Chemical product and Company Identification

1.1 Product specification

Product: Brake Pad Assembly for motor vehicles (Part No.XINYI6162M)

1.2 Address Producer/Suppliers

1.2.1 Producer/Suppliers: Dongying Xinyi Auto. Fitting Co. Ltd

Street/P.O Box: Dawang Economic Development Zone, 257335

Nation.-code./Postal Code/City: Dongying City Shandong Province PRC

Telephone: 0086-546-688-3940

Telefax:0086-546-688-1740

1.2.2 Contact: Technical Engineering Dept

Telephone:0086-546-687-8256

1.2.3 Emergency Information: Jiangshan zhang (Chip Jerome In U.S.A)

Emergency telephone No: +86 546 6878256

(China Beijing Time Monday---Saturday 7:30a.m.---5:00 p.m.)

Emergency telephone No: 2483585200

(American East Time Monday---Saturday 8:00a.m.---5:00 p.m.)

2. Hazards Identification

This is a solid disc brake dark gray to black in color. There is no hazard when using the production correctly.

Potential Health Effects:

Ingestion: not available

Inhalation: see section 4.4

Skin: see section 4.2

Eye: see section 4.3

Information on Ingredients:

Exposure Routes: not available

Symptoms: not available

3. Composition/Detail of Components

3.1 Chemical Characterization: Product

3.1.1 Description: This non-asbestos friction material is a multi-ingredient with system resins and rubber as a binding agent in a cured and vulcanized form.

3.2 Hazardous substance:

3.2.1

CAS-No.	ingredient	Percent (w/w)
7782-42-5	Graphite	6-8 %
7727-43-7	Barium sulfate	12-14 %
7440-50-8	copper	1 - 5 %
1305-62-0	Calcium hydroxide	2.5-3.5 %
12001-26-2	Mica	3-4 %
