

Safety Data Sheet

Issue Date: 2015/12

Revised: 2019/8

Side:1/6

1. Chemical product and Company Identification

1.1 Product specification

Product: Brake Pad Assembly for motor vehicles (Part No.XINYI265)

1.2 Address Producer/Suppliers

1.2.1 Producer/Suppliers: Dongying Xinyi Auto. Fitting Co. Ltd

Street/P.O Box Dawang Economic Development Zone, 257335

Nation.-code./Postal Code/City

Dongying City Shandong Province PRC

Telephone: 0086-546-688-3940

Telefax:0086-546-688-1740

1.2.2 Contact: Technical Engineering Dept

Telephone:0086-546-687-8256

1.2.3 Emergency Information Jangshan zhang (Chip Jerome In U.S.A)

Emergency telephone No: +86 546 6878256

(China Beijing Time Monday---Saturday 7:30a.m.---5:00 p.m.)

Emergency telephone No: 2483585200

(American East Time Monday---Saturday 8:00a.m.---5:00 p.m.)

2. Hazards Identification

This is a solid disc brake dark gray to black in color. There is no hazard when using the production correctly.

Potential Health Effects

Ingestion: not available

Inhalation: see section 4.4

Skin: see section 4.2

Eye: see section 4.3

Information on Ingredients

Exposure Routes: Direct contact (skin); Inhalation (dusts)

Symptoms: May irritate skin and eyes.

3. Composition/Detail of Components

3.1 Chemical Characterization: Product

This non-asbestos friction material is a multi-ingredient with system resins as a binding agent in a cured and vulcanized form.

3.2 Hazardous substance

CAS-No.	Ingredient	Percent (w/w)
1345-04-6	Antimony Trisulfide	3-5%
9003-35-4	Phenol-formaldehyde polymer	7-10%
1309-38-2	Iron Oxide	10-13%
12056-51-8	Potassium hexatitanate	22-25%
12001-26-2	Mica	6-8%
7782-42-5	Graphite	8-10%
7727-43-7	Barium Sulfate	22-25%
