1.4. Emergency telephone number	
For urgent inquiries refer to	UK Health Security Agency (UKHSA): Poisons 0344 892 0111; Chemicals 0344 8920 555

2. Hazards identification

2.1. Classification of the substance or mixture

Since brake pads meet the OSHA definition of an “article”; the product is not classifiable as hazardous pursuant to the provisions set forth in OSHA Hazard Communication Standard (HCS) (29 CFR 1910.1200). However, since the product contains hazardous substances in concentrations such as to be declared in section no. 3, it requires a safety data sheet with appropriate information
