

Storage: Store in a cool, dry place.

Section8: Exposure Controls / Personal Protection

Engineering controls

Keep away from heat and open flame. Store in a cool and dry place.

Personal Protection

Respirator: Not required during normal operations. SCBA required in the event of a fire.

Eye/face protection: Not required beyond safety practices of employer.

Gloves: Not required for handling of cells.

Foot protection: Steel toed shoes recommended for large container handling.

Section9: Physical and Chemical Properties

State	Solid
Odor	N/A
PH	N/A
Vapor pressure	N/A
Vapor density	N/A
Boiling point	N/A
Solubility in water	Insoluble
Specific gravity	N/A
Density	N/A

Section10: Stability and Reactivity

Reactivity

None

Chemical satiability / Possibility of hazardous reaction

The cell is chemically stable on normal condition. Avoid exposure to heat, open flame, and corrosives.

Conditions to Avoid

Avoid exposure to heat and open flame. Do not puncture, crush or incinerate.

Hazardous Decomposition Products

No hazard at normal operating conditions. If cells are damaged, hydrogen fluoride and carbon monoxide may be released.
