## Material Safety Data Sheet

**FIR No.:** 169305  
**Version Number:** US-US-2

**Level:** 1  
**Release Date:** 2009-07-29

### 1. Product and Company Identification

**Product Name:** Brake Pad Kit  
**Product Code:** See Attachment  
**Application:** Brake Friction Material  
**Supplier:** Ford Motor Company  
 Attention: MSDS Information, P.O. Box 1899  
 Dearborn, Michigan 48121  
 1-800-392-3673  
  
**Emergency Telephone:** Poison Control Center: 1-800-959-3673  
 CHEMTREC: U.S. and Canada: 1-800-424-9300  
 CHEMTREC: International: 1-703-527-3887

### 2. Composition/Information on Ingredients

This chemical product is a preparation.

Chemical Name	CAS Number	Percent Concentration	Hazard Classification
BRONZE	7440-50-8G	>10-30	SARA 313 MOC-ALL HAZCOM WHMIS 1
ANTIMONY SULFIDE	1345-04-6	>5-10	HAZCOM WHMIS 1 SARA 313 MOC-ALL CAA-HAP
MAGNESIUM OXIDE	1309-48-4	1-5	WHMIS 1 HAZCOM
ZINC OXIDE	1314-13-2	1-5	HAZCOM MOC-ALL WHMIS 1 SARA 313

### 3. Hazards Identification

**Health:** Dust may cause eye, skin, or respiratory tract irritation.  
 This product is a mixture of chemicals physically bonded together; therefore, in the as supplied state this product is considered non-hazardous. If in the event that dust is generated, some of the ingredients can have the long-term effects.  
 This product may cause an allergic skin reaction.  
 Breathing dust of this material may lead to chronic health effects.

**Environment:** Material contains a chemical which is a Hazardous Air Pollutant (HAP), regulated by the United States Clean Air Act.
