

MATERIAL SAFETY DATA SHEET

Section 10. Stability and Reactivity

Stability:	Under normal handling and storage conditions, this product is stable.
Storage Conditions:	Store in a dry location at room temperature.
Incompatibility (Materials to Avoid):	Do not store with oxidizing materials or corrosive materials (Acids and bases.)
Hazardous Polymerization:	Hazardous polymerization is not expected to occur.
Hazardous Decomposition Products:	At elevated temperatures, this product may decompose to release trace amounts of formaldehyde vapor. Decomposition products include CO and CO ₂ .

Section 11. Toxicological Information

Allergic sensitivity to trace amounts of some constituents may occur due to exposure to this material. No constituents at or above 0.1% have been classified by OSHA, the National Toxicology Program (NTP), or the International Agency for Research on Cancer (IARC) as carcinogens.

Section 12. Ecological Information

Ecological data is not available.

Section 13. Disposal Considerations

Unused product should be discarded in accordance with existing federal, state, and local environmental regulations.

Section 14. Transport Information

D.O.T. Shipping Name:	Non-regulated
Hazard Class:	Not applicable
ID Number:	Not applicable
Marking:	Not applicable
Label:	Not applicable
Placard:	Not applicable
Hazardous Substance/RQ:	Not applicable
Shipping Description:	Not applicable
Packaging References:	Not applicable
