Flammability No information **Flammability** (solid, gas) available Limit in Air

No information **Upper** No information Lower available flammability available flammability limit:

limit:

Vapor No information Vapor density No information pressure available

available

Specific 1.49 Water Insoluble in Gravity solubility water

No information Solubility in No information Partition other solvents available available coefficient **Decomposition**No information **Autoignition** No information temperature available temperature available **Kinematic** No information **Dynamic** No information viscosity available viscosity available

No information available **Explosive properties** Oxidizing properties No information available

Other information

No information available Softening point No information available Molecular weight **VOC Content (%)** No information available No information available **Density** No information available **Bulk density**

10. STABILITY AND REACTIVITY

Reactivity

Not applicable

Chemical stability

Stable under normal conditions Stability

Possibility of Hazardous Reactions

Possibility of Hazardous

Reactions

None under normal processing.

Hazardous polymerization Hazardous polymerization does not occur.

Conditions to avoid

Conditions to avoid Heat, flames and sparks

Hazardous Decomposition Products

Hazardous Decomposition

Products Incompatible materials None under normal processing

Incompatible materials Strong oxidising agents

11. TOXICOLOGICAL INFORMATION

Information on likely routes of exposure

Product Information Product does not present an acute toxicity hazard based on known or supplied information

Eye contact Contact with eyes may cause irritation.
