Contact product manufacturer for latest (M)SDS

WPS-AKE-023A - Non-Asbestos Friction Material NS317, NS317H

Revision Date 31-Aug-2016

Appropriate engineering controls

Engineering Measures Showers

Eyewash stations Ventilation systems

Individual protection measures, such as personal protective equipment

Eye/Face Protection No special protective equipment required. Risk of contact, wear: Safety glasses with

side-shields.

Skin and Body Protection No protective equipment is needed under normal use conditions. Under non-recommended

use conditions or altered form of product leather or canvas work gloves are recommended.

None known

Respiratory Protection None required under normal usage.

Hygiene Measures Handle in accordance with good industrial hygiene and safety practice.

9. PHYSICAL AND CHEMICAL PROPERTIES

Information on basic physical and chemical properties

Physical State Solid (compressed). Appearance Gray.

Odor Odorless. Odor Threshold No information available.

<u>Property</u> <u>Values</u> <u>Remarks/ - Method</u>

No data available На None known Melting Point/Range None known Not determined **Boiling Point/Boiling Range** Not applicable None known Flash Point Not applicable. None known **Evaporation rate** No data available None known Flammability (solid, gas) No data available None known

Flammability Limits in Air

upper flammability limit
lower flammability limit
Vapor Pressure
No data available
No data available
No data available

Vapor Density No data available None known **Specific Gravity** 3.0 - 4.0None known **Water Solubility** None None known Solubility in other solvents None None known Partition coefficient: n-octanol/waterNot applicable None known **Autoignition Temperature** No data available None known **Decomposition Temperature** No data available None known **Viscosity** Not applicable None known

Flammable Properties Not flammable

Explosive Properties No data available Oxidizing Properties No data available

Other information

VOC Content (%) No data available

10. STABILITY AND REACTIVITY

Reactivity

Not reactive under normal conditions.
